

Vaccine Safety & Patient Communication Free CE Webcast

Goal/Purpose

The purpose of the webinar is to increase immunization competency among nurses by offering practical knowledge and skills on vaccine safety and patient communication.

Learning Objectives

At the conclusion of this enduring material online web course, participants will be able to:

- Discuss scientific findings regarding the safety of vaccines.
- Outline systems in place to ensure ongoing safety of vaccines and adverse event reporting requirements.
- Identify commonly expressed concerns over vaccine safety and appropriate responses to alleviate parental reluctance.
- Discuss methods to eliminate spread of vaccine-preventable diseases, such as influenza and pertussis, including vaccination of adults and, in particular, healthcare workers.

Faculty

Mary Beth Koslap-Petraco, DNP, PNP-BC, CPNP
Katie Brewer, MSN, RN

Advisory Panel

Every Child By Two and the American Nurses Association would like to thank the Advisory Panel including Mary Beth Koslap-Petraco DNP, PNP-BC, CPNP; Katie Brewer, MSN, RN; Mark Sawyer, MD; William Atkinson, MD, MPH; Lorraine Pickrell, CFMC Director of Education; Nancy Borgstadt, RN, MS, CNS, CFMC lead Nurse Planner; and the project staff at Every Child By Two and the American Nurses Association, Rich Greenaway, Dena Penner, and Kelly Clay for their dedication to this project and their valuable insight on the topics covered.
