

The podcast all about **public health informatics**,  
from **disease surveillance systems** to using  
information to promote health equity.

Find the show on **iTunes** or **Google Play**,  
stream at **[soundcloud.com/phii-podcast](https://soundcloud.com/phii-podcast)**, or  
listen at **[phii.org/podcast](https://phii.org/podcast)**.

# What's a podcast?

A podcast is a free audio experience—a radio show that downloads directly to your phone!

## How do I subscribe to PHII's podcast?

---

### iPhones/iPads

---

 Visit the podcast app on your device. Search for “inform me, informatics.” Tap the  icon and then select **SUBSCRIBE**.

---

### Android devices

---

 Open the Google Play Music app. Search for “informatics.” Scroll down to search results under the “Podcasts” header. Tap on “Inform Me, Informatics” and select the “subscribe” option.

---

### Desktop and laptop computers

---

 Download iTunes. Search for “informatics” in the iTunes store. Select the  icon and then click “Subscribe.”

OR

Stream directly from [soundcloud.com/phii-podcast](https://soundcloud.com/phii-podcast).
